Rumeu River

The image shows the exterior of a building with a light beige stucco finish and a dark brown roof. A large, arched entrance is the central feature, flanked by two square pillars. The pillars have a base made of stacked, light-colored stones. The entrance is framed by dark wood doors. Above the arch, the words "Rumeu River" are written in a black, cursive script. To the right of the entrance, there is a small, dark, rounded object, possibly a planter or a decorative urn. The building is surrounded by greenery, including trees and a large, dense, green hedge. The sky is blue with some light clouds. The foreground is a dark, paved area.
